THE GAME STORY Tarnished, a powerful and arrogant knight of unknown origin, finds himself surrounded by forces he can barely stand. As he attempts to escape from these forces, he encounters and makes allies with other knights. With their help, Tarnished sets out to defeat an evil force that threatens the world. EAST Light and darkness. Life and death. Rise and fall. A war unlike any other has begun. In the midst of this war, there exists a world that has been forgotten. War gave birth to this world; now, it crumbles. Knights fight to establish order. The once powerful realm of Tocca has fallen. END The landscape is broken. A path of light descends from the east toward a city covered in darkness. A terrible evil roams free. Tarnished and his allies head toward this evil and the city shrouded in darkness. Will you journey there with them? "Knights Across Two Worlds" When a terrible evil rises up, there is no turning back. Cross through a perilous world and make strides toward enlightenment.

1. East The Land of the Vast Ocean Presenting the lands known as the East. The glorious and prosperous East. A fertile land that was once the center of the world. Now it is a desolate and dangerous territory. A land of chaos. The Land of the Crystal Coast The quiet lands of the crystal coast are a far cry from the reckless world of the east. Peaceful lands of rice fields and crystal waters, yet the dangers of the eastern border's land have given birth to a dark and destructive force.
2. South The Land of the Starlight Ocean The land known as the South. A land of limitless terrain. Only the strongest will dare to venture in and explore. The faraway lands of the South can sometimes seem to be beyond the grasp of man. It is a land of mystery. An ancient land full of ancient secrets. The Glimmering Plains A land of towering mountains that borders the large southern sea. Creatures of fairy kind dwell there. A land that is rich in ancient legends and ancient truths.
3. West The Land of the Land of Wind The western lands of the Land of Wind were once the center of the world. A land of endless plains and raging rivers. A land of hope and promise. A land of prosperity. The Land of the Open Sea

Elden Ring

You start off as a deceptively young child, but one day, you witness the spectacle of a sword being pulled from a stone. You have been awakened to your destiny, as you are one of the select few destined to wield the power of the Elden Ring! You are joined by others similarly selected, and your journey to the Great Wastelands begins. Gameplay Entering a dungeon and exploring it We present the main gameplay system of the game, TARNISHED ELDEN RING! When it comes to dungeons, you can play in either the tile map based free roaming mode or 3D obstructed mode. Obstructed mode is a mode where battles occur in the hallways of your home dungeon, while tile maps can be played just like a typical RPG. Map When you start a new game, you can use one of the map modes. There are 2 main types, a map and a dungeon map. Map ☆Map☆ Map is a map that acts as a home for your party. The map divides into 9 different regions, ranging from fields to towns. You can move freely within the map, but cannot go outside of the map. You can play maps for as many times as you like. ☆DUNGEON MAP☆ Dungeon map is an obstructed mode designed for battles in the dungeons. The map is divided into 4 different parts, each of which can be accessed freely. You can move freely within the map, but cannot go outside of the map. In the world of TARNISHED ELDEN RING, the open fields and the dungeons you encounter in your free roam will have a huge impact on the story and your own adventure. The total volume of dungeons is vast, and you can freely choose the style and mix of dungeons that will be used in your story. There are 1,000,000,000,000,000 different combinations possible. Distinguishing features You can find distinctive items scattered throughout the map, and you can swap them with your party members. You can freely customize your appearance, which is expressed through the appearance of your character. You can change your appearance among the standard weapons, armor, and magic from four different classes, and even equip a weapon or armor from each class. In addition to
